# Who We Are

---

When the fall of the Iron Curtain in 1991 led to the dissolution of the Soviet Union, thousands of men, women, and children found themselves caught in the wake of economic hardship. Josh McDowell Ministry™ began Operation Carelift to address the physical needs of these impoverished people while sharing the good news of Jesus Christ. By 2003 Operation Carelift had mobilized thousands of Christians and moved countless tons of humanitarian aid to the former Soviet Union and beyond. To advance this expanding ministry, Global Aid Network formed in 2003 as a separate agency.

Today, independent GAIN resource offices operate in the United States, Australia, Austria, Canada, Germany, Holland, Korea, Philippines, Spain, the U.K., and Switzerland. GAIN's focus on the Great Commandment helps Cru® and other partner entities fulfill the Great Commission in pursuit of Spirit-filled movements everywhere.

Sixty-four containers of aid, valued at more than \$12 million were delivered to 25 countries in 2016. These containers included meals, vegetable seed packets, clothing, blankets, wheelchairs, and medical supplies to aid in the relief of people in critical need. Additionally, several thousand lentil meals, pre-packed by a partner organization, were distributed to local ministries in the U.S. to help feed the poor.

The blankets GAIN supplied numbered more than 10,000, providing warmth and protection during the harsh winter months of 2016.

As the humanitarian partner of Cru, GAIN expresses the love of Jesus Christ in the toughest places on earth by relieving suffering, restoring dignity, and revealing hope. We accomplish our mission, in partnership with international Cru ministries, through food and agriculture, clean water, and critical aid. Our partners at Cru work in more than 191 countries in the world.
